

Horizon Europe Matchmaking Event *Cancer Mission*

You are invited to join an exclusive virtual matchmaking round table for Cancer Research professionals from Israel, the UK, and Europe and build a winning Horizon Europe consortium worth up to €12M

The round table will focus on two open calls:

Accessible and affordable risk predictor tests to advance early detection of heritable cancers in European regions

Improving the understanding and management of late-effects in adolescents and young adults (AYA) with cancer

Why Join?

Pitch & Meet hand picked organisations, experienced and influential participants

Organic and effective matchmaking to form your consortium

Access to partners' broad networks in Israel, the UK, and Europe

Booster package to create a winning bid
